Prairie Pioneer Center Director Cathy Larson addressed the Council and community with concerns for the Prairie Pioneer Center. Larson explained many who have been on the Board for years have seen the Center at its best, and now its worst. Every month is a struggle to pay the bills. Forty percent of the Center's funding comes from the Nebraska Agency on Aging and the remaining sixty percent comes from participants, contributions, and fundraisers. Larson asked the City what they are willing to do to help. Mayor Sonnichsen assured her that conversations were already underway regarding lending a helping hand to the Prairie Pioneer Center.

City Administrator Dan Knoell updated the Council with Administrative Communications. This is a new agenda item that was created to help increase transparency regarding Council action. Knoell will update the Council and Community on past, present, and future projects going on within Broken Bow. Knoell discussed many items including the Memorial Drive project, armor coating, the Levee, GIS Water/Sewer mapping, and the City Hall renovation.

Moved by Schmidt, seconded by Miller to open a public hearing at 6:31 pm regarding Ordinance 1264, Well Head Protection Plan. Roll Call vote: Voting aye: Schmidt, Miller, Myers, and Baltz. Nays: None. Motion carried. Natural Resources Specialist Adam Rupe with JEO was present to answer any questions or concerns with the Well Head Protection Plan. Rupe informed the Council that the Ordinance is an addition to a prior Ordinance which allowed for the mapping of Broken Bow's water sources. The program is completely voluntary and a preventative measure rather than a remedial. Moved by Schmidt, seconded by Miller, to close the public hearing at 6:38 pm regarding Ordinance 1264, Well Head Protection Plan. Roll Call vote: Voting aye: Schmidt, Miller, Myers, and Baltz. Nays: None. Motion carried.

After discussing the matter, Councilmember Miller introduced Ordinance No. 1264 entitled "AN ORDINANCE FOR THE CITY OF BROKEN BOW, NEBRASKA TO ADOPT THE WELLHEAD PROTECTION PLAN FOR THE CITY OF BROKEN BOW, NEBRASKA, AS PREPARED BY JEO CONSULTING GROUP, INC. FOR THE CITY OF BROKEN BOW, NEBRASKA; TO PROVIDE FOR THE REPEAL OF ORDINANCES INCONSISTENT HERewith; TO PROVIDE WHEN THIS ORDINANCE SHALL BE IN FULL FORCE AND EFFECT; AND TO PROVIDE FOR THE PUBLICATION OF THIS ORDINANCE IN PAMPHLET FORM." and moved that the statutory rule requiring reading on the final reading be suspended. Councilmember Baltz seconded the motion. The Mayor stated the motion and instructed the Clerk to call the roll. The Clerk called the roll, and the following was the vote: Ayes: Miller, Baltz, Myers, and Schmidt. Nays: None. Motion carried. The motion to suspend the rules was adopted by three-fourths of the Council and the statutory rule was declared suspended for consideration of said Ordinance. Said Ordinance was then read by title and thereafter Councilmember Miller moved for final passage of the Ordinance, which motion was seconded by Councilmember Schmidt. The Mayor stated the question, "Shall Ordinance No. 1264 be

passed and adopted?" Upon roll call vote, the vote was as follows: Ayes: Miller, Schmidt, Myers, and Baltz. Nays: None. Motion carried. The passage and adoption of said Ordinance having been concurred by a majority of all members of the Council, the Mayor declared the Ordinance adopted.

Moved by Myers, seconded by Baltz, to adjourn the City Council Meeting at 6:40 pm. Roll call vote: Voting aye: Myers, Baltz, Schmidt, and Miller. Nays: None. Motion carried.

 - a. Involves the repair, rehabilitation, or replacement of an existing structure; or
 - b. Involves the redevelopment of a vacant lot that has been platted for at least sixty years;

If the city or CRA determines that the application meets the requirements above, the authority will approve the plan within 30 days of the submission of the plan. Once approved the authority incurs indebtedness for the project, and the project begins.

The county assessor shall then determine: (1) If the redevelopment project was fully completed within two years after the approval of the development plan and (2) the assessed value of the property within the redevelopment project area. Once completion has been determined, the county assessor shall certify the completion of the expedited redevelopment plan to the city or community redevelopment authority (CRA). Once the county assessor has certified this form as required in Neb. Rev. Stat. § 18-2155, the city or CRA may begin to use the portion of taxes as indicated in Neb. Rev. Stat. § 18-2147 to pay the indebtedness incurred by the city or CRA pursuant to Neb. Rev. Stat. § 18-2155. Payments shall be remitted to the owner of record of the property on which the structure is located in the redevelopment plan.

SECTION 1 – WELCOME TO THE CITY OF BROKEN BOW

Introduction

The personnel system of the City of Broken Bow, Nebraska, provides a means to recruit, select, develop, and maintain an effective and responsive work force and includes policies and procedures for employee hiring, training, job classification, salary compensation, benefits, discipline, and other related activities. The purpose of this guide is to serve as a written statement of the employment practices of the City of Broken Bow, Nebraska, for all employees.

As an employee of the City, your job is to serve the people of the City with efficiency and courtesy. It is your obligation to treat all citizens fairly, ethically, and with special privileges to none.

Every job with the City is important in that it provides a service to your employers--the residents of Broken Bow. The manner in which you serve the public strongly influences the public relations of the residents of the City. Their opinions of their City government are based, to a large extent, upon their contact with City employees such as yourself.

This Employee Handbook is an outline of the basic personnel policies, practices, and procedures in the City of Broken Bow, Nebraska. This Employee Handbook supersedes all previous personnel policies and procedures adopted by the City of Broken Bow, Nebraska.

No handbook can anticipate every circumstance or question about policies. As Broken Bow continues to grow, the need may arise to change policies described in this handbook. Therefore, the City reserves the right to revise, supplement or rescind any policies or portion of the handbook from time to time, as it deems appropriate, in its sole and absolute discretion. If changes are made, you will be promptly notified.

This handbook is not a contract of employment. Nothing contained in this handbook or in any other statement of the City's philosophy, including statements made in the course of performance evaluations and wage reviews, should be taken as an express or implied promise of continuing employment. The City, like the employee, is free to terminate the employment relationship at any time for any or no reason.

The Mayor and City Council of the City of Broken Bow, Nebraska shall be the ultimate policy-making authority for the City in all matters pertaining to personnel administration.

If any section or provision of this Employee Handbook is in contravention of the laws or regulations of the United States, or the State of Nebraska, City Ordinances, Union Agreement, or any court decree binding in this jurisdiction, such section or provision shall be superseded by the appropriate provisions of such laws or regulations, or court decrees, so long as the same shall be in force and effect, but all other sections and provisions of this Employee Handbook shall continue in full force and effect unless and until otherwise amended, supplemented, or cancelled by appropriate action by the Governing Body of the City.

SECTION 2 - EMPLOYMENT POLICIES

Equal Employment Statement

It is the policy of the City of Broken Bow to select candidates for employment on the basis of their qualifications and potential as these relate to the requirements of the particular position in question. The City of Broken Bow is committed to offering employment opportunity based on ability and performance, in a productive climate, free of discrimination. Selection is made without regard to age, sex, race, color, religion, national origin, marital status or disability or any other protected class under applicable local, state or federal law. All employees are treated equally with respect to benefits, compensation, and opportunity for training and advancement.

Americans with Disabilities Act of 1990, As Amended

The City will not discriminate against a qualified individual with a disability because of the disability in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training and other terms, conditions and privileges of employment.

The City shall make a reasonable accommodation to a known physical or mental disability of an otherwise qualified applicant or employee unless the accommodation would impose an undue hardship upon the business operations of the City.

Harassment Policy

It is the policy of the City to provide an environment free of unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct or communication constituting sexual harassment. Sexual harassment by any employee is unequivocally prohibited. Sexual harassment is misconduct that interferes with work productivity and wrongfully deprives employees of the opportunity to work and be in an environment free from unsolicited and unwelcome sexual overtones. Sexual harassment includes all unwelcome sexual advances, requests for sexual favors and other such verbal or physical misconduct. Sexual harassment is a prohibited practice and is a violation of the law.

The U.S. Equal Employment Opportunity Commission has issued guidelines interpreting Section 703 of Title VII as prohibiting sexual harassment. Sexual harassment is defined in those guidelines as follows:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical misconduct of a sexual nature constitute sexual harassment when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

It is important to note that sexual harassment does not have to involve conduct of a sexual nature in order to constitute unlawful behavior. For example, abusive, offensive, or demeaning behavior that is directed to members of one gender only (whether male or female) may be deemed a form of sexual harassment, even though the conduct was not motivated by sexual

desire or gratification. In addition, harassment of a male by another male, or female by another female, may also constitute an unlawful form of sex discrimination. The City's policy prohibits sexual harassment regardless of the gender of the perpetrator or the victim.

Examples of the types of conduct which could be considered sexual harassment, and which is prohibited by City policy include, but are not limited to, the following:

- Sexually suggestive touching
- Unwanted deliberate touching, leaning over, cornering or pinching
- Lewd, off-color, or sexually oriented comments or jokes
- Making sexual gestures with hands or through body movements
- Questions about another's sex life or experiences
- Stories about your sex life or experiences
- Multiple requests for dates or other activities
- Sexually suggestive profanity
- Unwanted pressure for sexual favors
- Whistling at someone or cat calls
- Looking a person up and down (elevator eyes)
- Display of sexually suggestive images

Any failure by a supervisor to report such workplace harassment complaints or situations to the City Administrator shall be considered to be a violation of this policy and shall subject the supervisor to appropriate corrective or disciplinary action. A supervisor still has the responsibility to report in cases where the parties involved have indicated they are not offended or have resolved the matter informally.

Harassment Policy Complaint Procedure

1. If you have a complaint about an incident of harassment, you should immediately ask the offending party to stop, if you are comfortable doing so.
2. If the harassment does not immediately cease or you are uncomfortable asking the offending party to stop, you should immediately report the matter to your supervisor.
3. If your supervisor is not an appropriate person for your complaint, or if you feel more comfortable bypassing the other steps, you may take the matter directly to the City Administrator.
4. If you are not satisfied with the response given in Step 3, submit the concern in writing directly to the Mayor. After the Mayor receives the written copy of the harassment complaint, you may arrange to meet with the City Council.

To avoid misunderstandings, complaints made to your supervisor, the City Administrator, or the Mayor require completion of a complaint report, either by you or by the person to whom the complaint is made, summarizing the allegations, and listing any witnesses to the alleged harassment. You should be sure to get a copy of this initial complaint report to confirm that you have complied with this procedure.

All complaints will be thoroughly investigated and conducted as confidentially as possible and consistent with the effective handling of the complaint and the goals of this policy. All employees have a responsibility both to cooperate fully with the investigation and to keep the

matter confidential, whether the employee is the accused person, the complaining one or merely a potential witness. Persons who are interviewed should not discuss the matter with co-workers, friends, or management. This does not mean, however, that employees may not complain to civil rights agencies. Appropriate corrective action will be taken, up to and including the discharge of offending employees.

Anti-Retaliation Policy

The City of Broken Bow recognizes that retaliation against employees who exercise their lawful rights has no place in the workplace. Retaliation not only raises legal concerns, but it can also seriously damage employee morale within an organization. This policy describes what is meant by prohibited retaliation and sets forth a procedure for employees to bring forth complaints of retaliation without fear of retribution from their supervisors or coworkers.

Retaliation can take many forms. For the purposes of this policy, retaliation means taking a "materially adverse action" against an employee because he or she:

- Opposed what he or she in good faith believed to be an unlawful or discriminatory practice of the City or its employees;
- Participated in a governmental proceeding as a claimant or witness, where the purpose of the proceeding was to investigate allegations of unlawful or discriminatory conduct on the part of the City or its employees;
- Exercised his or her legal rights, such as filing a complaint of discrimination, a claim for workers' compensation benefits, or similar conduct; or;
- Fulfilled a legal duty, such as testifying in court under compulsion of a subpoena, serving on jury duty, reporting suspected abuse, or fulfilling military obligations.

Taking "materially adverse action" means taking actions that would dissuade a reasonable worker from opposing the practice, participating in the proceeding, or otherwise engaging in the activities given as examples in the last paragraph. This might include actions such as refusing to hire or rehire, disciplining or discharging, refusing to promote, demoting, giving unfavorable job assignments, giving an unfavorable job evaluation, or otherwise depriving an individual of the tools he or she needs in order to be successful on the job.

This policy applies to all employees of The City of Broken Bow, regardless of position.

Anti-Retaliation Policy Reporting Procedure

If you experience or witness a violation of this policy, report it immediately to your supervisor. If the supervisor is unavailable or you believe it would be inappropriate to contact that person, you should immediately contact the City Administrator and/or the Mayor.

Any failure by a supervisor to report such workplace retaliation complaints or situations shall be considered to be a violation of this policy and shall subject the supervisor to appropriate corrective or disciplinary action. A supervisor still has the responsibility to report in cases where the parties involved have indicated they have resolved the matter informally.

Immigration Law Compliance

The City of Broken Bow is committed to employing only United States citizens and aliens who are authorized to work in the United States and does not unlawfully discriminate on the basis of citizenship or national origin.

In compliance with the Immigration Reform and Control Act of 1986, each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 and present documentation establishing identity and employment eligibility. Former employees who are rehired must also complete the form if they have not completed an I-9 with the City of Broken Bow within the past three years, or if their previous I-9 is no longer retained or valid.

Employees with questions or seeking more information on immigration law issues are encouraged to contact the City Clerk.

Drug Free Workplace

The City of Broken Bow intends to provide a drug free environment for all its employees. Employees who use, attempt to possess, or use, manufacture or participate in the transfer, sale, offering or possession of unauthorized alcohol, illegal drugs or other controlled substances while on the job or on City premises, will be subject to severe disciplinary action up to and including discharge. (The term "controlled substance", as used in this policy, means a drug or other substance as defined in applicable federal law on drug abuse prevention. (Federal Register P. 4947-4965, Drug Free Workplace Act of 1989.)

1. Urinalyses testing will be conducted at random on all Union and City Employees. The City shall pay for the costs of the urinalyses testing. Post-accident urinalyses will be required.
2. When there is reasonable cause to suspect possession, influence or use of alcohol or drugs on the job, employees may be required to submit to an alcohol or drug test. Refusal to submit to a test will be considered to be insubordination subject to discipline, up to and including termination.
3. Employees who report for work or who at work are under the influence of alcohol, illegal drugs or any controlled substance will be subject to disciplinary action up to and including termination.
4. An employee, who, under a physician's care, is taking medication which may affect the employee's ability to work safely, is responsible for informing his/her supervisor of this condition before beginning work.
5. Employees, who are off duty and have been drinking or are under the influence of drugs, must refuse any "call-outs" or emergency calls.
6. A person being considered for employment with the City of Broken Bow may be asked to submit to drug testing prior to gaining employment with the City.

The City also prohibits any visitor, contractor, or employee of any contractor from being on City premises or municipal work sites while under the influence of alcohol, drugs, or controlled substances.

Introductory Period

The introductory period for new employees is six (6) months. The introductory period will be used to evaluate the employee. This period is a continuation of the selection process and is a time in which the new employee should demonstrate that he or she is suited for his or her

Full-time employees accrue vacation leave based on the following:

Day 1 through 9 Years of Employment = 7 Hours per Month

Appointed employees may accumulate vacation time no more than three (3) times what they can earn during a calendar year. If the total amount of unused vacation time reaches the maximum accrual at any time, further vacation accrual will temporarily stop until such time as the total accrued vacation amount falls below the maximum. Any vacation time that has been accumulated over the three (3) time accumulation may be used within twelve months of passage of the manual and if there's any unused vacation time after the twelve months it will be paid out to the employee.

Other employees may accumulate no more than two (2) times vacation than what they can earn during that calendar year or as outlined in the approved union contracts.

Vacation leave can be used as it is earned. Vacation must be submitted and approved at least 2 weeks in advance. And approved by chain of command prior to commencement.

Vacation pay shall be paid at the normal rate of pay. Vacation time shall be taken in ½ hour increments. Vacation leave shall not exceed two (2) consecutive weeks unless permission is given by either the Mayor or the City Council President.

Holidays occurring during scheduled vacation leave shall not be charged against vacation leave, but against holiday leave. Part-time and seasonal employees are ineligible for vacation leave.

City Employees that have accumulated vacation hours over multiple years of service shall be paid for their vacation hours upon the Employee's resignation. The payment will be made in a lump sum payment on the last day of employment with the City of Broken Bow.

Sick Leave

Since occasional absences due to illness occur, the City provides paid sick leave to all full-time employees. Part-time and seasonal employees are not eligible for paid sick leave.

Full-time employees shall receive one day (8 hours) sick pay per month, cumulative to a maximum of 120 Days or 960 Hours. Sick leave ceases to accrue at the beginning of the first pay period of the month following the thirteenth (13th) full week of disability, or when an employee is granted and takes unpaid leave for any reason. Sick leave accrual will resume after the employee has returned to work.

Absence due to sickness must be reported promptly and the following conditions are considered valid reasons for use of sick leave:

1. When an employee is unable to perform his or her duties because of sickness, disability, or injury. Pregnancy, post-natal recovery, and miscarriage shall be considered temporary disabilities and treated the same as any other temporary disability.
2. When an employee obtains medical, surgical, dental, or optical examinations or treatment.
3. When an employee's presence at work jeopardizes the health of others by exposing them to a contagious disease.
4. When illness, disability, or injury of an immediate family member demands the employee's presence. The immediate family shall be considered as: spouse, domestic partner (co-habitation, intimate, committed relationship of 1 year), children, stepchildren, parent, parent-in-law, brother, sister, grandparent, and grandchildren.

Sick leave is not to be considered a "given;" it is a benefit awarded at the time of illness or a doctor's recommendation that the employee is not fit to work. Sick leave is not to be used as vacation leave and shall be denied when the City has facts to show the employee is abusing sick leave privileges.

Employees shall notify their Supervisors in advance when planning to use sick leave for dental appointments, physical examinations, etc. In case of sickness, injury, or emergency, or any other absence which cannot be approved in advance, you should advise your supervisor as soon as possible.

An employee may be required to submit substantiating evidence if sick absence exceeds three workdays, or the employee uses more than six (6) total days of sick leave in a calendar month. Substantiating evidence may be required if the sick leave is being used as part of

Family Medical Leave Act (FMLA) leave. Substantiating evidence may also be required if sick leave abuse is suspected.

Sick leave requests will be taken in ½ hour increments. Holidays which occur during the period an employee takes sick leave do not count as sick leave, but against holiday leave. Sick leave shall be paid at the employee's normal rate of pay.

Sick leave may be coordinated with any benefits received by the employee for the City Workers' compensation plan, or other group accident proceeds for which the City provides coverage premiums not to exceed one hundred percent (100%) of base pay and will continue only until total accumulation of sick leave has been used or until the effective date of Social Security benefits, whichever occurs first.

City Employees that have accrued sick leave hours over multiple years of service shall retain these recorded totals.

Appointed employees leaving employment with the City prior to two 2 years of continuous service are not eligible for reimbursement of their unused sick leave. Appointed employees leaving employment after two years will receive 100% of banked sick leave.

Sick Leave Conversion for Appointed Employees (Completion of 10 Years of Service) –

As a benefit to continuous long-term full-time employees, a percentage of unused sick leave will be converted to pay upon voluntary termination. To be eligible for this reimbursement the employee must have at least twenty (20) years of continuous service with the City. The percentage of banked sick leave reimbursement is based on the number of years of continuous service, up to a maximum of \$15,000, at the following rates:

- 1) 10 Years of Continuous Service = Reimburse 40% of Banked Sick Leave
- 2) 15 Years of Continuous Service = Reimburse 60% of Banked Sick Leave
- 3) 20 Years of Continuous Service = Reimburse 100% of Banked Sick Leave

Sick Leave Donation

The City of Broken Bow recognizes that employees may face a family emergency or a personal crisis that causes a severe impact to them resulting in a need for additional time off in excess of their available sick/vacation/compensatory time. To address this, need all eligible employees will be allowed to donate sick time from their unused balance to their co-workers in need in accordance with the policy outlined below. Participation in donating and receiving sick leave is strictly voluntary.

Employees who would like to make a request to receive donated sick time from their co-workers must have a situation that meets the following criteria:

Family Health Related Emergency: Critical or catastrophic illness or injury of the employee or an immediate family member that poses a threat to life and/or requires inpatient or hospice health care. Immediate family member is defined as spouse, domestic partner, child, parent or other relationship in which the employee is the legal guardian or sole caretaker.

Other Personal Crisis: A personal crisis of a severe nature that directly impacts the employee. This may include a natural disaster impacting the employee's primary residence such as a fire or a severe storm.

Employees who donate sick time from their unused balance must adhere to the following requirements:

- Donation maximum – No more than 50% of your current balance
- Donations must be made in one (1) hour increments
- No employee may donate any sick time within thirty (30) days of that employee's scheduled retirement or resignation date, or at any time when the employee is suspended from work, unless authorized by City Administrator.

Employees who donate time must have sufficient time in their balance and will not be permitted to exhaust their balances due to the fact that they may experience their own personal need for time off. Employees cannot borrow against future sick time to donate.

Employees who received donated sick time may receive no more than four hundred and eighty (480) hours within a rolling twelve (12) month period.

An employee using donated time will not be eligible to accrue vacation. In all other respects, donated time will be the same as any other paid time off based on the recipient's employment.

Employees who wish to donate sick time to a co-worker in need must complete a 'Donation of Sick Time Agreement'. All agreements should be returned to the City Administrator for approval.

If the recipient employee has available sick leave or compensatory time in their balance, this time will be used prior to any donated sick time that is approved. Donated sick time may only be used for time off related to the approved request. Sick time donated that is in excess of the time off needed will be evenly distributed back to all donors.

The City will not "advertise" any employee's eligibility for donated time. It is the responsibility of the potential donor, rather than the recipient, to initiate the donation process. Potential recipients and co-workers are expected to use discretion in soliciting donations – no employee should feel pressured to donate time to a co-worker.

Bereavement Leave

A full-time employee may be granted up to four (4) days of paid bereavement leave in case of the death of an employee's immediate family member: spouse, domestic partner (co-habitation, intimate, committed relationship of 1 year), children, stepchildren, parent, parent-in-law, step-parent, brother, sister, daughter-in-law/son-in-law, grandchildren, step-grandchild, grandparent, step-grandparents, and grandparents-in-law. For these purposes, employees shall receive pay on such days at their straight time rate on the same basis their work is regularly performed.

The supervisor may grant one (1) day in case of the death of a niece or nephew or niece-in-law/nephew-in-law.

Funeral leave is granted for time off for the employee if he/she is requested to serve as a pallbearer, to perform military services or to perform fraternal services at a funeral for only as long as necessary to perform such duty no to exceed one-half (1/2) day.

Funeral leave is granted for time off for employees to attend services for another employee or retired employee as long as sufficient work force is left at work to maintain city operations and for only as long as necessary not to exceed one-half (1/2) day.

Military Leaves of Absence

All employees, including elected officials who are members of the National Guard, Army Reserve, Naval Reserve, Marine Corps Reserve, Air Force Reserve and Coast Guard Reserve, shall be entitled to leave of absence from their respective duties, without loss of pay, on all days during which they are employed with or without pay under the orders or authorization of competent authority in the active service of the State or of the United States, for a period not to exceed one hundred twenty (120) hours in any one calendar year. Such leave of absence shall be in addition to the employee's regular annual leave. When the Governor of this State shall declare that a state of emergency exists, and any of the persons named in this section are ordered to active service of the State, an additional leave of absence will be granted until such member is released from active service by competent authority. During the additional leave of absence due to the call of the Governor, any official or employee subject to the provisions of this section shall receive such portion of his or her salary or compensation as will equal the loss he or she may suffer while in active service of the State. Benefits will be paid according to State and Federal law.

Jury Duty

When a regular employee has been absent from work because of jury service or subpoenaed as a witness because of something that occurred during the course of his regular employment to which he/she was a witness, he/she shall be paid his/her regular pay by the City with the understanding that at the completion of his jury service, he shall present his jury service checks to the City, and that the amount of such checks, less the amount included for traveling expenses, shall be deducted from his/her next regular paycheck.

Family and Medical Leave Act Absences (FMLA)

The Family and Medical Leave Act of 1993 (FMLA), as amended thereafter, requires covered employers to provide FMLA leave to eligible employees. Following is a summary of the leave requirements under the FMLA. These same requirements are also posted on the City's premises. This policy and the posting do not necessarily include all FMLA requirements, disclosures, or information employees may need to know, but are intended to provide employees with basic FMLA information.

Eligibility Requirements:

In order to be eligible for FMLA leave, an employee must have worked for the City for at least 1 year prior to commencement of the leave, worked at least 1,250 hours during the 12 months prior to commencement of the leave, and must be employed at a worksite where 50 or more employees are employed by the City within 75 miles of that site at the time notice is given of the need for leave.

Reasons for Leave:

Eligible employees may take FMLA leave for the following purposes:

1. For incapacity due to the employee's pregnancy, prenatal medical care, or childbirth;
2. To care for the employee's child after birth, or placement for adoption or foster care;

3. To care for the employee's spouse, child, or parent, who has a serious health condition;
4. For a serious health condition that makes the employee unable to perform the employee's job;
5. For military exigency leave to address certain qualifying exigencies related to a covered military member (if the employee is the spouse, parent, son or daughter of said military member) who is on active duty or called to active duty status in a foreign country (and if the family member is in the National Guard or Reserves and is on or called to active duty in a foreign country, the duty must be in support of a contingency operation); and
6. For military caregiver leave to care for a covered military service member (if the employee is the spouse, parent, son, daughter, or next of kin of said service member) who: (a) is a current member or veteran of the military (Armed Forces, National Guard or Reserves); (b) incurred a serious injury or illness (or aggravation of a pre-existing injury or wellness) in the line of duty on active duty that renders the service member medically unfit to perform his or her duties or manifests itself within 5 years after the individual becomes a veteran; and (c) is undergoing medical treatment, recuperation or therapy while in the military or within five years after becoming a veteran, or is in out-patient status while in the military, or is on the military's temporary disability retired list.

Definitions:

All definitions of the FMLA apply, but two key definitions are:

1. Serious Health Condition. This means an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job or other daily activities. Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 full consecutive calendar days combined with at least two in-person visits to a health care provider (the first within 7 days and the second within 30 days of the onset of incapacity) or one in-person visit (within 7 days of the onset of incapacity) and a regimen of continuing treatment prescribed at that visit, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.
2. Qualifying Exigency. This may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

Amount of Leave:

Eligible employees are entitled to a maximum of 12 weeks of unpaid FMLA leave during a rolling 12-month period, measured forward for 12 months beginning on the date an employee first uses leave, and upon expiration of that 12-month period. If the leave is to care for a covered military service member who incurred a serious injury/illness in the line of duty on active duty, an eligible employee is entitled to a maximum of 26 weeks of unpaid leave for such purpose during a single 12-month period. During that single 12-month period, FMLA leave taken for other reasons is also counted, and an employee may not exceed the 26-week maximum for all FMLA leave taken regardless of the reason.

Use of Leave:

An employee does not need to use FMLA leave in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the City's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Time Off Benefits for Unpaid Leave:

Employees are required to use paid time off (PTO) benefits while on FMLA leave.¹ Vacation and sick leave benefits will not continue to accrue while an employee is on FMLA leave, but accruals will be re-commenced upon return to work from FMLA leave.

While on leave, PTO benefits must be used in the following order: (1) accrued paid sick leave (if absence is due to a reason for which sick pay benefits may be used); (2) accrued paid vacation; and (3) accrued compensatory time off.

Employee Notice of Need for Leave and Other Responsibilities:

If the need for leave is foreseeable, an employee must provide 30 days advance notice if practicable. If not practicable to give at least 30 days advance notice of the need for foreseeable leave, then the employee must give as much notice as reasonably possible. This normally means providing notice on the same day as or next business day after the employee learns of the need for leave. Notice of the need for foreseeable leave is to be given to the employee's department head.

If the need for leave is unforeseeable, an employee must provide as much notice as practicable. This means the employee must comply with the City's call-in procedures. In addition, the employee must notify his/her department head of absences that are unforeseeable.

When notifying the City of the need for FMLA leave or an FMLA absence, an employee must provide sufficient information for the City to determine if the leave might qualify as FMLA leave or an FMLA absence. The employee must also provide the anticipated timing and duration of the leave of absence. Sufficient information may include that the employee is unable to perform job functions; the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Calling in "ill" or "sick" is not enough. Employees also must inform the City if the requested leave is for a reason for which FMLA leave was previously taken or certified. If so, the employee must specifically mention the "FMLA" or state the specific qualifying reason FMLA leave, or the absence is needed.

Certification of Need for Leave:

Employees may be required to provide a certification and periodic recertification supporting the need for leave. Any certification that is submitted must be complete and sufficient and returned within 15 calendar days. The City may also require second and third opinions from health care providers if the leave is for the serious health condition of the employee or a family member. The City may also request authentication and clarification of any medical certification that is submitted by contacting the health care provider.

City Notices and Other Responsibilities:

If an employee requests FMLA leave, the City will notify the employee whether he/she is eligible for such leave the first time during the City's FMLA leave year that the employee requests leave for that particular reason or that specific medical condition. If the employee is eligible, the notice will specify any additional information required (such as a certification of a health care provider) as well as the employee's rights and responsibilities. If the employee is not eligible, the notice

will provide a reason for the ineligibility.

Once the City has received a complete and sufficient certification (if one is required), the employee will receive a designation notice. The notice will either designate the leave as FMLA-protected leave and the amount of leave counted against the employee's FMLA leave entitlement (if it can be calculated) or will advise the employee that the leave is not FMLA-protected.

Benefits and Protections While on Leave:

While on FMLA leave, the City will maintain the employee's health coverage under the City's group health plan on the same terms as if the employee had continued to work. Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Permissible and Prohibited Activities While on Leave:

As a general rule, an employee who is on an approved leave of absence is expected to engage in only those activities that are necessary for, consistent with, and appropriate for the purpose of the leave, and the employee is not permitted to engage in any other activities. An employee is also prohibited from working elsewhere or engaging in self-employment while on leave (including working any additional job the employee was working while also working for the City prior to taking leave), without the City's advance written consent.

Return to Work:

If an employee was on leave for his/her own serious health condition, he/she must provide a fitness-for duty certification upon return to work. Upon return from FMLA leave, an employee will normally be restored to his/her original or an equivalent position with equivalent pay, benefits, and other employment terms. However, an employee has no greater rights to job restoration than if the employee had not taken FMLA leave.

Unlawful Acts by Employers:

FMLA makes it unlawful for any employer to: (a) interfere with, restrain, or deny the exercise of any right provided under FMLA; and (b) discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement:

If an employer violates the FMLA, an employee may file a complaint with the U. S. Department of Labor or may bring a private lawsuit against an employer. FMLA does not affect any Federal or State law prohibiting discrimination or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights. An employee may obtain additional information from the U. S. Department of Labor by calling 1-866-4US-WAGE (1-866-487-9243 or TTY: 1-877-889- 5627) or at the following website: www.wagehour.dol.gov.

Parenting Leave

The City developed this Policy to allow City employees, who are not FMLA eligible, time off from work for the purpose of delivery or bonding with or caring for a newly born or newly adopted child or foster care placement and to comply with all applicable state and/or federal regulations pertaining to parenting leave.

This policy applies to all full-time employees with the City of Broken Bow. This policy is not covered under the FMLA; therefore, the employee's position is not job protected. The maximum period of leave will usually be 90 days.

An employee on parenting leave who does not intend to return to the position from which they are on leave, shall notify the City Administrator in writing thirty (30) calendar days prior to the expected date of return.

- A. It is the employee's responsibility to follow the provisions of this policy.
- B. It is the employee's responsibility to notify the City Administrator if he/she wishes to continue insurance during the leave of absence.
- C. Any questions concerning this policy should be addressed to the City Administrator.

The employee requesting parenting leave must complete and submit a Leave of Absence Request to the City Administrator on a form provided by the City at least thirty (30) days prior to the requested date of the leave or the expected date of birth or placement of the child. If the leave requested is due to disability of the birth mother, a medical statement, provided by the City, must be completed by the attending physician of the birth mother, and accompany the request for parenting leave. The thirty (30) day notice may be waived or reduced by the City based upon receipt of a statement from a physician.

The parenting leave may be extended to a later specified date upon written request from the employee to the City Administrator, at least thirty (30) days prior to the expiration of the parenting leave. The procedure for extending a parenting leave and the conditions under which a leave may be extended are the same as those used when originally requesting and granting the leave.

For reinstatement from a leave due to disability, the employee shall submit a doctor's statement confirming physical fitness to return to duty to the City Administrator. For reinstatement from a parenting leave, the employee must submit a copy of the birth certificate (mother's copy is acceptable) or proof of birth.

An employee requesting leave for the adoption or foster care placement of a child shall submit a Leave of Absence request to the City Administrator as soon as the employee is notified of the date to receive the child. The effective date of the leave shall be at such time as the adoption procedure may require. Proof of adoption or foster care placement must accompany the Leave of Absence Report.

Public Service Leave

The City Administrator shall be charged with authorizing appropriate leave when requested for the purpose of public service. The City Administrator shall have the authority to authorize such leave upon review of a leave request form. A leave request form must be provided to the City Administrator at least seven (7) days prior to the event. This form will detail the times, dates, and nature of the public/community service work to be done.

Public service shall generally be defined as service to a non-political/not-for-profit community organization without compensation beyond that of meals provided during the events being

attended. Travel to and from events as well as temporary specialty equipment required for said service shall not be considered compensation.

Prizes gained from drawings, raffles, and other general fundraising functions associated with such events shall not be considered compensation.

No part of this policy shall have effect of or have authority over any involvement with any organization before or after the times requested for leave. Time authorized for the purpose of non-mandated community service shall not be charged to the employee's accrued leave in so long as leave is authorized by the City Administrator.

The City Administrator shall have authority to authorize up to, but not to exceed 24 hours of public service leave time per fiscal year.

Snow Days

If the Mayor calls a snow day, then all employees that come to work will be paid their regular wages for that day. Employees that don't come in to work may use either vacation or compensatory time, but no sick time may be used without the City Administrator's consent. An employee may also take the day as an unpaid day.

Fitness Membership

The City of Broken Bow provides each full-time Employee with a membership to the Melham Wellness Center of Broken Bow. This is an individual fitness membership only; additional family members can join at the membership rate.

The City of Broken Bow understands that social networking and Internet services have become a common form of communication in the workplace and among stakeholders and citizens. Social networks are online communities of people or organizations that share interests and/or activities and use a wide variety of Internet technology to make the interaction a rich and robust experience. Employees that choose to participate in social networks while a City employee

should adhere to the following guidelines:

(a) City policies, rules, regulations, and standards of conduct apply to employees that engage in social networking activities while conducting City business. Use of your City e-mail address and communicating in your official capacity will constitute conducting City business.

(b) Employees who participate in social media outlets on or off-duty are subject to the same standards for such communications as set forth elsewhere in this Manual.

(c) Although minimal personal computer usage is allowed during the workday, participating in non-work-related social media outlets while on duty impacts productivity and causes performance issues and therefore is prohibited.

(d) City employees shall notify the City Council, supervising Department Head, and the City Administrator if they intend to create a social networking site or service to conduct City business.

(e) Departments have the option of allowing employees to participate in existing social networking sites as part of their job duties. Department Heads may allow or disallow employee participation in any social networking activities in their Departments.

(f) Confidential or proprietary information or similar information of third parties who have shared such information with the City of Broken Bow should not be shared on social media outlets.

If an employee publishes content on any website outside of the City of Broken Bow and it has something to do with the employee's employment at the City or subjects associated with the City, the employee shall use a disclaimer such as: "The postings on this site are my own and don't necessarily represent the City's positions or opinions." It should be noted however that a disclaimer will not prevent an employee from being disciplined if their communication has the effect of violating any City policy.

(j) Employees shall not use ethnic slurs, profanity, personal insults, or engage in any conduct that would not be acceptable in the City's workplace. Employees shall further not use social media in violation of City's workplace harassment policy.

Any personal use of City telephones must not result in added expense to the City. Failure to follow this policy may result in disciplinary action.

Personal Cellular Phones and Text Messaging

Cellular phones have become a common personal convenience to many employees. However, such convenience should not interrupt your work for the City. Therefore, except in emergency or work-related situations, employees are not to make or receive calls or make or receive text messages on their cell phones during working time. You, of course, may use your cell phones during breaks and lunch periods. Failure to follow this policy may result in disciplinary action.

This issue shall be addressed and controlled by the department heads.

Continuation Coverage Rights Under COBRA

INTRODUCTION

You are receiving this notice because you may have become covered under City of Broken Bow Employee Benefit Plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and to other members of your family who are covered under the Plan when you would otherwise lose your group health coverage. This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it. This notice gives only a summary of your COBRA continuation coverage rights. For more information about your rights and obligations under the Plan and under federal law, you should either review the Plan's Summary Plan Description or get a copy of the Plan Document from the Plan Administrator.

The Plan Administrator is Broken Bow City Clerk. COBRA continuation coverage for the Plan is administered by Regional Care, Inc., 905 West 27th Street, Scottsbluff, Nebraska 69361, (308) 635-2260 or 1-800-795-7772.

COBRA CONTINUATION COVERAGE

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." A qualified beneficiary is someone who will lose coverage under the Plan because of a qualifying event. Depending on the type of qualifying event, Employees, spouses of Employees, and dependent children of Employees may be qualified beneficiaries. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an Employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

1. Your hours of employment are reduced, or
2. Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

1. Your spouse dies;
2. Your spouse's hours of employment are reduced;
3. Your spouse's employment ends for any reason other than his or her gross misconduct;
4. Your spouse becomes enrolled in Medicare (Part A, Part B, or both); or
5. You become divorced or legally separated from your spouse. If an employee cancels coverage for his or her spouse in anticipation of a divorce (or legal separation,) and a divorce (or legal separation) will be considered a qualifying event even though the ex-spouse lost coverage earlier. If the ex-spouse notifies the COBRA Plan Administrator

within 60 days of the decree of dissolution of marriage date and can establish that the employee canceled the coverage earlier in anticipation of the divorce (or legal separation), then COBRA coverage may be available for the period after the divorce (or legal separation).

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens:

1. The parent-employee dies;
2. The parent-employee's hours of employment are reduced;
3. The parent-employee's employment ends for any reason other than his or her gross misconduct;
4. The parent-employee becomes enrolled in Medicare (Part A, Part B, or both);
5. The parents become divorced or legally separated; or
6. The child stops being eligible for coverage under the Plan as a "dependent child."

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, or enrollment of the employee in Medicare (Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event (1) within 30 days of any of these events or (2) within 30 days following the date coverage ends.

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator. The Plan requires you to notify the Plan Administrator within 60 days after the qualifying event occurs. You must send this notice to the COBRA Administrator.

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. For each qualified beneficiary who elects COBRA continuation coverage, COBRA continuation coverage will begin (1) on the date of the qualifying event or (2) on the date that Plan coverage would otherwise have been lost.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, enrollment of the employee in Medicare (Part A, Part B, or both), your divorce or legal separation, or a dependent child losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage lasts for up to 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

DISABILITY EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled at any time during the first 60 days of COBRA continuation coverage and you notify the Plan Administrator in a timely fashion, you and your entire family can receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. You must make sure that the Plan Administrator is notified of the Social Security Administration's determination within 60 days of the date of the determination and

before the end of the 18-month period of COBRA continuation coverage. This notice should be sent to the Plan Sponsor.

SECOND QUALIFYING EVENT EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

If your family experiences another qualifying event while receiving COBRA continuation coverage, the spouse and dependent children in your family can get additional months of COBRA continuation coverage, up to a maximum of 36 months. This extension is available to the spouse and dependent children if the former employee dies, enrolls in Medicare (Part A, Part B, or both), or gets divorced or legally separated. The extension is also available to a dependent child when that child stops being eligible under the Plan as a dependent child. In all of these cases, you must make sure that the Plan Administrator is notified of the second qualifying event within 60 days of the second qualifying event. This notice must be sent to the Plan Sponsor.

IF YOU HAVE QUESTIONS

If you have questions about your COBRA continuation coverage, you should contact the Plan Sponsor, or you may contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA). Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website at www.dol.gov/ebsa.

KEEP YOUR PLAN ADMINISTRATOR INFORMED OF ADDRESS CHANGES

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Unemployment Insurance

Subject to eligibility requirements, the employees of the City are covered by unemployment insurance in the manner and to the extent provided by the laws of the State of Nebraska.

F.I.C.A. and Medicare

Each employee and the City pay contributions toward the employee's FICA and Medicare. FICA and Medicare serve as a base for retirement benefits and provide additional protection to the employee and his/her family in the areas of disability, dependents of disabled persons, lump sum death benefit, Medicare and Survivor's benefits. Full information is available from any local Social Security Administration Office.

Worker's Compensation/On the Job Accidents

Every employee is covered for work-related injuries in accordance with Nebraska law. Inform your supervisor immediately if any injury occurs; no matter how minor the injury may seem, the employee should report such injuries immediately.

This insurance is paid entirely by the City of Broken Bow and provides benefits under Nebraska law to employees when personal injury is caused to an employee by accident or occupational disease arising out of and in the course of his/her employment.

If an employee is injured and unable to work, he/she must fill out an Accident Form and return it to the City Administrator by the end of the day. If an employee is required to miss work because of the accident, he/she can use sick leave until it is exhausted, and then vacation leave for the days that the employee is unable to attend work. The employee may also take the time unpaid. If the employee receives payment from the worker's compensation plan, he/she shall keep the payment. The payment shall not be turned in to the City so that sick leave or vacation leave can be replenished.

Pension Plan

The City has established a retirement plan to help provide you a monthly income during your retirement years. You may begin participating in the plan after completing one year of service with the City. The vesting or ownership of the City's contribution period consists of 20% after one (1) year of service, 40% after two (2) years of service, 60% after three (3) years of service, 80% after four (4) years of service and 100% after five (5) years of service.

The Appointed Officials of the City will be 100% vested in half of the Mayor's term or after (2) two years of Appointed service.

The administrative portion of this plan is paid by the City, and the contribution by the employee is matched by the City. The contribution rates are Employer = 6% and Employee = 6%. The Financial Director can answer your questions concerning this retirement plan.

Any grievance, submitted under the provisions of this section may be presented and processed individually by the employee or a representative of the employee's choice.

In matters dealing with alleged violations in those areas over which a Department Administrator has no authority to grant the appropriate relief, and in all cases in which the decision being grieved is a decision which was made by the Mayor, the grievance shall be initiated at the Final Step. The time limits for filing a grievance at the Final Step shall be the same as the time limits for filing at the Second Step.

The aggrieved employee shall first submit his/her grievance in writing to his/her Department Administrator within ten (10) calendar days from the date on which the employee becomes aware of such grievance. The Department Administrator shall attempt to adjust the matter and shall respond in writing within twenty-one (21) calendar days from its presentation.

If satisfactory settlement is not reached in Step 1, the employee may, within ten (10) calendar days from the date of the Department Administrator's written response, request further review by the City Administrator. EMPLOYEE ACKNOWLEDGEMENT AND RECEIPT

I have received a copy of the Employee Handbook for the City of Broken Bow ("City") and have either read it or have had it read to me carefully. I understand all of its rules, policies, terms and conditions, and agree to abide by them, realizing that failure to do so may result in disciplinary action, up to and including termination.

I understand and agree that my employment is terminable-at-will, so that both the City and I remain free to choose to end our work relationship, at any time, and for any lawful reason or no reason. Similarly, no City official has the authority to enter into an oral employment contract, and only the City Council, Mayor, or City Administrator can enter into a written employment contract. I understand this handbook supersedes all prior policies and procedures, whether written or unwritten. I further understand that the matters discussed in the employee handbook are subject to change without notice.

I understand the City will monitor my work computer files, internet activity, e-mail messages, and voice mail messages for various reasons. The City may disclose such activity and messages to a third party without my consent when it deems such action necessary. I consent to the City monitoring of my computer files, e-mail transmissions, voice mail messages, and internet activity.

I understand nothing in this handbook in any way creates an express or implied contract of employment between the City and me, but rather is intended to foster a better working atmosphere while the employee/employer's relationship exists.
